Performance Notes

The audience was quiet and reserved; they were an older crowd. The audience still had generous reactions at the end of Act 1 and 2. Many cheered during curtain call.

The cast seemed just a little less focused than usual, but nonetheless, gave a rather clean performance.

Several patrons were seen taking videos and photos with flash. The ushers quickly handled it.

House Management Notes**Safety Seats Used:** K 7-15**Patron Issues:** A couple showed up with tickets for row U, but were unable to climb the stairs. We sat them in safety seats K 7,9.**Staff Issues:** Dallas Cornell missed her shift due to illness**Positive Notes:** Thank you to Shaila and the FOH staff for running pre-show so smoothly.**Tech Notes**

1. **SET:** I updated the paperwork to reflect that the *Dance at the Gym* streamers have been moved to lineset 24. Thank you for updating us!
2. **SET:** The sand bag on the bed was missing. Sam improvised by using a bag with stage weights inside.
3. **SOUND:** Sound cue 3 was just a moment late. SM Error.
4. **SOUND:** Anita's mic sounded like it was cutting in and out during *America*.

5. **LIGHTS:** LQ 430 was just a bit early. I anticipated the cue too much.
6. **LIGHTS:** The bedroom light didn't come on in Act 2, Sc. 5 with LQ 610.
7. **LIGHTS/SET:** The bridge/underpass hit the 2nd electric as it came onstage today.
